

Unlock Australia

Helping you set up and grow your business

Expanding into new international markets can be challenging due to the many issues to consider and resolve. Our Unlock Australia service can provide expert advice and insight to support you every step of the way. From helping you find the best location, to setting up a branch or subsidiary, we are committed to providing pragmatic and timely advice that allows you to focus on achieving your business goals.

International expansion is an important step, but with a dedicated international business adviser, who takes time to understand your business and customise the specific services you require, you'll know you have the support to manage the risks and maximise the potential a new market offers your business.

Our advisers can help at every stage of your company's growth cycle - from starting-up, raising venture funding, listing on a global exchange, acquiring or merging with another company, or using Australia as a base to expand into other markets - which means that whatever the challenge, we're at your side.

- financial reporting advisory
- international financial reporting standards advisory

Why choose Australia?

Australia provides a safe, low-risk environment in which to do business. With 28 years of uninterrupted annual growth pre-COVID, Australia has demonstrated a highly resilient economy already recovering strongly. As a country, we have deep, strong economic and cultural ties with the fast-growing Asia-Pacific region. With world-leading innovation and business clusters and a labour force among the most skilled and diverse in the world, Australia is one of the easiest places in the world to do business.

Grant Thornton – A truly global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice through a broad range of services. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to solve complex issues for privately owned, publicly listed and public sector clients. Over 58,000 Grant Thornton people, across more than 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
