Driving directions

From Dublin - Take the N7 from Dublin to Limerick. As you enter Limerick you will approach the Parkway roundabout. Go through the roundabout heading for the city centre. Continue straight through five sets of lights, bringing you into town to Patrick Street. From there, continue straight through three sets of lights, turning right at fourth set, bringing you on to Lower Mallow Street. Turn left at next lights onto Henry Street - office is on the right, next to red brick church. Car parks are located just past the office, first turn on the right - Mt. Kennett Place, and on the right you have the Henry Street Car Park and the left the Aviary Car Park.

From Shannon Airport - Follow City Centre signs until you come to the Coonagh Roundabout. Turn right onto Condell Road - straight through next roundabout until you reach Shannon Bridge. Cross bridge, turn right at roundabout and first left up Mt. Kennett Place - car parks half way up on right and left.
